

## HUGE CROWD EXCITED WHEN MAN IS STABBED

Affray in Capitol Square Interrupts Concert, When Several Hundred Chase Assailant.

### IS FINALLY CAUGHT BY OFFICER

T. L. Pope Lodged in Station House on Charge of Feloniously Assaulting H. C. Poindexter, Who Is Badly Cut.

Unusual commotion was caused last night in the huge crowd which had congregated in Capitol Square to hear the concert of the California Shriners' "310,000,000 band" when a quarrel led to a cutting affray, a pursuit and the subsequent capture of the alleged assailant, T. L. Pope, twenty-five years old. The wounded man was H. C. Poindexter, of 516 North Twenty-fifth Street, who was badly cut in the left thigh, and was removed to the Virginia Hospital for treatment.

The cause of the cutting was not learned. From what could be ascertained, no one was paying any attention to the two men until Poindexter suddenly cried out: "Catch him; he has stabbed me!"

**CROWD OF SEVERAL HUNDRED GIVES CHASE WHEN POPE RUNS**  
Pope ran and rushed from the square through the Eleventh Street gate. Instantly a crowd of several hundred men and boys were in pursuit, all yelling, "Stop him! Stop him!" As the crowd crossed Main Street Patrolman Dugan, who was at Tenth Street, heard their cries and joined in the chase. He was quickly in the lead and ran down Eleventh Street to the mouth of an alley between Main and Cary Streets. The figure of a fleeing man was seen not far ahead, and at Twelfth Street Dugan collared him. Pope, who is said to have been arrested before, was sent to the First Police Station and a charge of felonious assault lodged against him.

Poindexter was rendered emergency treatment by Dr. M. L. Boyle, Jr., ambulance surgeon, before being removed to the hospital. While badly cut, his condition was not regarded as serious.

## CHAUFFEUR AND AUTO VANISH FROM GARAGE

Warrant Sworn Out for Arrest of Man Believed to Have Stolen \$2,000 Cadillac Car.

Another of an already long list of automobile thefts was reported to the police yesterday. Allen Zachary, proprietor of the Broad Street Garage, of 217 West Broad Street, reported that a \$2,000 Cadillac machine disappeared from the garage on Wednesday, and since that time nothing has been seen or heard of it. It was owned by George O. Tenney, who makes his home at the Richmond Hotel.

Detective Bryant, who is at work on the case, learned that two weeks ago a man, about twenty-eight years old, who gave his name as Robert Wright, was given employment as a chauffeur by Mr. Zachary. On Wednesday Wright informed Zachary that Mr. Tenney had telephoned to the garage and directed that his car be sent to the Richmond with a chauffeur. Wright was sent out with it, and has not been seen since. Bryant also learned that Mr. Tenney was not in the city at the time when the alleged order to send the car was received.

Convinced that the car was stolen, Zachary swore out a warrant for the arrest of Wright on the charge of grand larceny, and it is now in the hands of the police. Last night Captain of Detectives McMahon was busy sending telegrams, asking the police of various cities to look out for the car, the license number of which is 1528, and to arrest the driver. If it is not promptly recovered, circulars will be sent broadcast, and it is regarded as likely that a reward will be offered for its return and also for the arrest and conviction of Wright.

## ALLEGED "SHORT WEIGHTERS"

Five Dealers Will Be Summoned to Court on Ordinance Violation.

Five dealers will face Police Justice Crutchfield one day this week to show cause why they should not be fined for violating the city ordinance by giving "short weight" in filling orders for meat. Their names were reported at the Second Police Station yesterday, and summonses for them to appear before Police Court on June 10 were issued. The dealers are as follows:

E. Stick, a driver for Tyler & Ryan; W. E. Branch, of 1302 West Leigh Street; Stumney Randolph, colored, of 827 St. John Street; J. T. Saunders, of 901 North Meadows Street; and J. E. Kirkland, of 404 South Harrison Street.

## VEILED PROPHETS WILL CONVENE HERE JUNE 9

Boy Scouts to Aid in Receiving Convention and in Guarding

W. J. B. Houseman, executive of the Richmond Council, Boy Scouts of America, has tendered the services of 200 uniformed Boy Scouts to Santa Grotto, No. 36, to assist in receiving the delegates to the twenty-fifth convention of the Mystic Order of Veiled Prophets of the Enchanted Realm, which convenes at the Richmond Hotel on Tuesday, June 9. The delegates will begin arriving Monday morning, June 8, and the members of the steering committee, aided by the Boy Scouts, will meet every incoming train and steamer.

The Boy Scouts will also keep the line of march open during the big parade, which will be held on Tuesday evening, June 9, and will render other services to the local prophets and the visitors.

The local committeemen, headed by E. C. Pelouse, have arranged a card system for the identification of visiting prophets. Reservations have been made by the various teams at the local hotels, and to the secretaries of the out-of-town grottoes have been sent cards which will be attached to baggage and also be worn by the delegates as they leave the trains.

The card on the baggage will indicate the owner and the room he is to occupy at the hotel, and as different colored cards are prepared for each hotel, the separation of baggage and its deposit to the proper place will be expedited. A round pink card indicates the Rueger Hotel. The Jefferson is indicated by a red card; Murphy's Hotel by a green card; Stumptown Hotel by a yellow card, and the Richmond Hotel, convention headquarters, by a blue card.

Three loving cups are to be contested for. A gold loving cup will be awarded the winning team in the competitive drill to be held in Capitol Square on Tuesday afternoon, June 9. A silver loving cup is to be awarded in the competitive band concert, which will be held aboard the steamer Pocahontas on Wednesday, June 10, as the visitors are being taken to historic Jamestown Island. K. C. Steiner has offered a silver loving cup to the grotto which sends the largest delegation to Richmond, and as each grotto is making exceptional efforts to send large delegations, it is certain there will be keen rivalry for the Steiner cup.

## "Excellent Tonic"

MRS. S. A. WEIR, 827 W. 15th St., Pueblo, Col.

"Peruna is an excellent tonic for the weakness that follows grip. If everybody could have a bottle or two of Peruna after they have had grip they would get well a great deal sooner than they usually do."

"There is no better medicine in the world for colds and grip than Peruna. One bottle did more to relieve me of a bad cold and case of grip than any remedies that I have ever taken."

Other things being equal, the ready-to-take medicine is the cheaper. On this phase of the subject Mrs. Weir says:

"I am a widow with a very small income, and have to look to every penny very closely. Under these circumstances your medicine is a godsend to me. One bottle of Peruna has accomplished for me more than an expensive course of treatment of any other sort. Of this I feel sure. As a matter of economy every one ought to have a bottle of Peruna in the house."

## "I Speak from Experience"

said that it was thought that he had obtained employment out of town, and that he left early yesterday morning to accept the position. Just where he went was not known.

Chief of Police Warner received a letter from Wilmington, N. C., yesterday also asking that search be made for a missing youth. It was from Mrs. Nettie Street, who said that her son, Roy Street, seventeen years old, came to Richmond on April 2, and since that date nothing has been heard from him.

All members of the department have been furnished with descriptions of the missing boys and instructed to keep a lookout for them.

## Policeman Put Under Bond

Plevicle Policeman W. J. Botto was put under \$300 bond to keep the peace for six months yesterday morning in Police Court. He was arraigned on a warrant charging him with choking

and threatening to kill his wife, Mrs. Minnie Botto. He noted an appeal to the Hastings Court.

The domestic troubles of the couple were laid bare by many witnesses. However, when Mrs. Botto said that she feared her husband, Justice Crutchfield put him under bond.

Dr. E. W. Gee, who testified for the defense, said that he had examined Mrs. Botto and did not find any marks or bruises.
